Interlogix Santa Fe

We develop and operate **Vertical Logistics Parks** in strategically located areas within Mexico City and the country's main cities.

Interlogix Santa Fe is located in the prestigious financial district of Santa Fe, in Mexico City. Our strategic location positions us as the epicenter of opportunities, providing us with the ability to offer an ideal environment for the growth and success of our tenants to address their last mile needs.

**building the future
of warehouses, for middle
& last mile distribution**
